CITY OF NEW JOHNSONVILLE

Job Opening

WASTEWATER TREATMENT AND COLLECTION SYSTEMS OPERATOR

The City of New Johnsonville is accepting applications for the position of Wastewater Treatment and Collection Systems Operator. This position is responsible for the operation, monitoring, maintenance, and repair of the City's wastewater treatment facilities, lift stations, and related equipment.

ESSENTIAL DUTIES AND RESPONSIBILITIES

- Operate and monitor the wastewater treatment plant and related equipment.
- Monitor treatment processes and make operational adjustments as necessary.
- Inspect pumps, motors, blowers, aeration equipment, chemical systems, and other treatment equipment.
- Operate and maintain wastewater lift stations.
- Perform routine maintenance and minor repairs to equipment and facilities.
- Collect wastewater samples and perform required testing.
- Maintain accurate operating logs, sampling records, maintenance records, and other required documentation.
- Assist with compliance with Tennessee Department of Environment and Conservation (TDEC) requirements and the City's wastewater permit.
- Monitor wastewater flows and treatment processes.
- Respond to equipment failures, alarms, spills, sewer problems, and other emergencies.
- Maintain a clean and safe work environment.
- Operate vehicles, tools, pumps, and other equipment as needed.
- Perform other duties as assigned.

PHYSICAL REQUIREMENTS

The position requires physical activity including walking, standing, bending, stooping, climbing, lifting, carrying, and working around wastewater treatment equipment and facilities. The employee may be required to lift and carry equipment and materials and work in confined or difficult areas.

MINIMUM QUALIFICATIONS

- High school diploma or equivalent preferred.
- Valid Tennessee driver's license.
- Previous wastewater treatment, wastewater collection, utility, mechanical, plumbing, or related experience preferred.
- Tennessee Wastewater Treatment and Collection Systems Operator certification for Biological/Natural Systems and Collections I with Grade II preferred. Applicants who do not currently hold a Tennessee wastewater certification may be considered for employment with the expectation of obtaining the appropriate certification within the time allowed by TDEC requirements.
- Ability to read and understand equipment manuals, safety procedures, and operating instructions.
- Ability to work independently and respond to emergency situations.
- Ability to work outdoors in varying weather conditions.
- Ability to work nights, weekends, holidays, and overtime when necessary.
- Applicants who already possess a valid Tennessee Wastewater Treatment Operator certification should provide their certification information with their application.

COMPENSATION AND BENEFITS

Salary will be based on qualifications and experience. The City of New Johnsonville offers a benefits package that includes health insurance, retirement benefits with TCRS, paid holidays, vacation, and sick leave.
